

Ware Receives Donabedian Award from ISPOR

May 20, 2002 - During its seventh annual international meeting in Arlington, VA, the International Society for Pharmacoeconomics and Outcomes Research (ISPOR) today awarded John E. Ware, Jr., PhD, the [Avedis Donabedian Outcomes Research Lifetime Achievement Award](#). Ware, the Chief Executive Officer, Chief Science Officer, and Chairman of the Board at QualityMetric Incorporated, is the first recipient of this award, established in honor of Avedis Donabedian, MD, MPH, to "acknowledge those individuals who have made a major contribution to this improvement of health outcomes."
